

Lifeguard CPR Refresher 2021

Remember: CPR certification is required for 2021 and it is your responsibility as a lifeguard to meet this qualification!! We offer these refresher courses at the BBC for your convenience and to help us with our hiring needs. As of this writing, April 18th, we do not have a lot of sign-ups.

1. **Part 1:** Online learning class.

COURSE DESCRIPTION:

1. HeartCode BLS is the AHA's blended learning delivery method for the BLS Course. HeartCode blended learning delivers quality resuscitation education regardless of where providers are located and gives them more control to complete the course at their own pace. Providers first complete the online portion of HeartCode BLS and then complete a hands-on skills session with an AHA BLS Instructor or on a simulation station.

2. **Part 2:** In person CPR exam:

The second half of this course will be in person and is required to obtain certification.

- a) All CDC and AHA guidelines will be followed for distance and sanitizing of the equipment.
- b) **CDC approved masks** (face coverings) must be worn at all times.
- c) You must have the **Online Learning completion print out** in order to participate in the testing, no exceptions.
- d) **CPR pocket masks** are required for testing, no exceptions.
- e) Please arrive **10 min. prior** to your appointment. BE ON TIME! Late attendees may be rescheduled at the instructor/Beach Clubs convenience, if available.
- f) The fee of **\$25 cash** is due upon arrival for the exam.
- g) Contact Portia Rindos **578 8499** to schedule your exact in person testing date & time.

Print and hand in the AHA CPR cards or email: BBCEmployment2021@gmail.com.
